Meeting ID: 825 5918 9836

Passcode: 167707

Meeting also available by phone: +1 312-626-6799 US (Chicago)

The agenda for the 800 MHz RPC meeting:

- Call to Order
- Introductions
- Approval of Agenda
- Public Comment & Correspondence
- Old Business
 - Discussion and possible action to accept the updated proposed plan changes and to forward to FCC and adjacent regions.
- Adjourn

The Region 15 RPC meetings are open to the public. All public safety providers in Region 15 may utilize these 700 MHz and 800 MHz frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 15 should plan to attend. For further information, please contact:
